## Notes:

- The 'normal' fee for teams has not gone up for senior teams
- There is a large penalty for non-payment on time
- Junior Fees have gone up based on individual fees
  1. Diamond Ball - \$10 – program has been built and budgeted
  2. Juniors - \$5 – first fee increase in two years; costs have gone up. Ground hire, electricity
- Late fees are in addition to the regular fee and are PER TEAM
- Only 1 late fee is applicable per team
- There are two activations for late fees:
  1. 50% of team fees must be paid by Round 1, or late fees will apply
  2. Fees must be FINALISED by 30 November, or late fee will apply
- Meeting the 1<sup>st</sup> payment deadline does not negate the application of the 2<sup>nd</sup> payment deadline.
- This will be a **strict deadline – no exceptions.**
- SACT may choose to (at its discretion)
  - Prevent teams from playing
  - Render individuals from club's ineligible for State teams
  - Engage debt collection agencies
