Notes:

- There have been **NO INCREASE in affiliation fees for adult/senior competition.**
- TurboTeeball is a 6-player version of Teeball designed to promote participation.
- **Junior Competition has moved to a team fee structure** (based on ~11x player fees from 2018/19) for a number of reasons:
 - Clubs are incentivised to have more players in their teams as cost is stable
 - Clubs can cater to players only available for part of the season
 - Clubs can bring in fill-ins when short at no cost
 - Administratively less taxing, meaning better clarity from Softball ACT
- For all club fees:
 - 50% of all team fees are to be paid by 19 October 2019
 - Fees are to be finalised by 30 November 2019
 - **Missing EITHER DEADLINE will result in a late fee of \$550 for each team**
- Where a Club fails to meet any deadline, SACT may:
 - Prevent teams/clubs from playing until they are financial
 - Render individuals from Clubs ineligible for State teams
 - Engage debt collection agencies
- Development:
 - Softball Batter Up programs are Softball Australia development programs, with fees to be confirmed by Softball Australia
 - Rising Stars and State League are non-Club, game-situation development competitions run by SACT, with fees an indication of the level of cost
